Title: ERAX'S JOURNAL

Author:

I alone have managed to safely return to the surface. Mine arrogant curiosity was almost mine undoing. The ruined Ophidian structure in the caverns below the swamp is very dangerous. My companions fell to the blows of the undead. No monk should ever return there. I have taken the key that opens the gate to the area and hidden it in the hollow tree near the southeastern portion of the ruin in the swamp. I pray that no one shall ever find that key...
